Dear Professor Rancourt :

Re : Cinema Politica

The purpose of this letter is to inform you that the University of Ottawa will not be allocating a room to Cinema Politica for the screening of its films for the 2008-2009 season.

As previously communicated to you, you are not entitled to request your academic unit to reserve a meeting room on behalf of Cinema Politica as its activities are unrelated to your workload. Even if such request is made directly through Housing and Convention Services, the University of Ottawa is unable to grant such a request since, by failing to provide interpretative services at its events as required by the Ontario Human Rights Code, Cinema Politica did not respect all applicable statutes, regulations and University of Ottawa policies in its use of the University's facilities in 2007-2008.

Sincerely,

Pamela A. Harrod
University Secretary
